

Putting the customer  1st

Your parcels in our hands ...

Ensuring your reputation

Home Delivery Network is the UK's largest dedicated home delivery and collection service. With over 90 years experience, we deliver on behalf of major high street, online and television retailers, including four out of five of the UK's most used home delivery retailers. (Verdict research 2006)

Home Delivery Network was formed in May 2005 and expanded its dedicated network throughout Northern Ireland in September 2006.

Our parcel network delivers over 300,000 small items to every postcode ... every day, from fresh flowers and wine to clothing and small electrical items.

We pride ourselves on becoming your brand ambassadors. We recognise the importance of the doorstep experience and our delivery crews are trained to represent you to the highest standards. It's not just your product in our hands ... it's your reputation.

Our 3,500 professional, uniformed drivers deliver to the same geographical area, ensuring an efficient, customer focused home delivery experience.

Our real time track and trace will give you visibility of your consignments from the point they are scanned into our network through to the end delivery.
